This highly regarded access course is ideal for people who have responsibility for reviewing, planning, designing, managing or maintaining buildings, as well as those who are required to provide advice to others regarding access issues in the built environment.

These issues can incorporate those experienced by people with disabilities and other access challenges including users of wheelchairs, scooters and prams, as well as people with vision and hearing impairments and cognitive issues.

The course provides a framework for participants to undertake an Access Appraisal of a building and covers the essential **key components** of access to buildings including:

- Overview of disability access issues
- Overview of relevant State and Federal legislation and Australian Standards
- Identification of key access issues, barriers and solutions
- Development and use of an Access Appraisal Checklist
- Undertaking an Access Appraisal of a sample facility
- Reviewing and testing of knowledge learned
- Certificate of Access Appraisal is awarded

Course fee \$1,300.00 plus GST per person includes all course materials and catering.

Facilitated by award winning Accredited Access Consultants including

Joe Manton - Director of Access Audits Australia, Chris Porter - Architect, Caroline Lewis, Town Planner and access professionals and trainers Anthony Nichols and Kellie Millar

all members of the *Association of Consultants in Access Australia (ACAA)*
