

**Livable Housing Australia - Design Guideline Assessor Course - 3 hours**

Melbourne 8 February 2017: 9am - 12 noon  
 Melbourne 19 April 2017: 9am - 12 noon  
 Perth 16 May 2017: 9am - 12 noon  
 Perth 21 September 2017: 9am - 12 noon

Sydney 21 March 2017: 9am - 12 noon  
 Brisbane 21 June 2017: 9am - 12 noon  
 Brisbane 17 August 2017: 9am - 12 noon

**Become an LHA Guideline Assessor**

The nationally agreed Livable Housing Design Guidelines assist people to understand, promote and deliver livable designed homes. The Guidelines provide technical advice and guidance on the key easy living features that make a home easier and safer in which to live for people of all ages and abilities.

This course is a pre cursor to applying to becoming an LHA Design Guideline Assessor. LHA Design Guideline Assessors operate as independent consultants who evaluate the design and completed construction of residential dwellings against the national Livable Housing Design Guidelines.

Course fee \$380.00 (plus GST) per person includes all course materials and catering

**Universal Design - Future Proofing the Built Environment - 3 hours**

Melbourne 7 February 2017: 1.00pm - 4.00pm      Sydney 21 March 2017: 1.00 - 4.00pm  
 Brisbane 21 June 2017: 1.00pm - 4.00pm

What is Universal Design and how does it relate to buildings and facilities? How is it different from minimum, legislated access requirements? Why and how does it assist with future proofing our assets and make them more usable for everyone.

Course fee \$250.00 (plus GST) per person

**Safety in Design - 2 hours**

Melbourne 14 February 2017: 10.00am - 12noon

This course provides essential information for designers of buildings and structures regarding their obligations to ensure that their design is without risks to the health and safety of users. The legislative obligations of designers, those who commission design and those who control the final workplace will also be covered.

Course fee \$200.00 (plus GST) per person

**New topics for 2017 include:**

- Understanding Critical Access Components in Design - 2 hours
- Incorporating Critical Access Components in Construction - 2 hours
- Home Modifications for Occupational Therapists - 3 hours
- Home Modifications for Builders - 2 hours
- Designing for Luminance Contrast - 2 hours
- The Why's of Access - Understanding the rationale behind the Australian Standards for Access - 2 hours
- Reading Building Plans and Understanding Performance Solutions for Access - 1 day
- Understanding Performance Solutions for Access - 3 hours
- Understanding Universal Design in Educational Facilities - 2 hours
- Understanding Universal Design in Hospitals and Health Care Facilities - 2 hours

**Times, dates and locations for the above courses are yet to be determined**

 On receipt of your booking we will contact you with further details. Any queries call on 03 9988 1979

**CPP50711 Diploma of Access Consulting - 11 days**

**Sydney 22, 23, 24, 27, 28 March, 28, 29, 30 June and 3, 4, 5 July 2017**  
**Melbourne 26, 27, 28 April, 1, 2 May and 19, 20, 21, 24, 25, 26 July 2017**  
**Perth 17, 18, 19, 22, 23 May and 13, 14, 15, 18, 19, 20 September 2017**  
**Brisbane 14, 15, 16, 19, 20 June and 9, 10, 11, 14, 15, 16 August 2017**

This highly anticipated course provides students with the skills required to provide advice on access to the built environment, as well as services and programs for people with a range of access challenges, including people with disabilities, older adults, emerging Baby Boomers, parents with prams and families. Importantly the course also provides the basis for a comprehensive understanding of the reasons behind the legislation and standards - the 'Whys of Access' - relating to the function and use of buildings, facilities and services.

Course fee \$7,000.00 (no GST) per person.

**CPP50711 Diploma of Access Consulting - Course for Building Surveyors - 8 days**

**Sydney 22, 23, 24, 27, 28 March and 3, 4, 5 July 2017**  
**Melbourne 26, 27, 28 April, 1, 2 May and 24, 25, 26 July 2017**  
**Perth 17, 18, 19, 22, 23 May and 18, 19, 20 September 2017**  
**Brisbane 14, 15, 16, 19, 20 June and 14, 15, 16 August 2017**

This course will provide Building Surveyors with a significant 'point of difference' to their peers and competitors when it comes to understanding and assessing access compliance in buildings.

It provides essential knowledge and skills related to the 'Whys of Access' and provides an understanding of the rationale behind the access requirements of the Building Code and the Australian Standards for Access and Mobility. It includes all of the units of competency of the Certificate IV in Access Consulting as well as others to support a higher level understanding and application in the 'real world' environment.

This course has been specifically adapted for Building Surveyors and candidates must be able to demonstrate Recognised Prior Learning or Credit Transfer for some specific units of competency.

Course fee \$5,500.00 (no GST) per person

**Bridging Course for CPP50711 Diploma of Access Consulting - 3 days**

**Sydney 3, 4, 5 July 2017**  
**Brisbane 14, 15, 16 August 2017**

**Melbourne 24, 25, 26 July 2017**  
**Perth 18, 19, 20 September 2017**

This 'Bridging' course provides students, who have been deemed Competent in the Certificate IV in Access Consulting, the opportunity to gain the Diploma of Access Consulting by completing additional required units of competency. These additional units relate to the provision of advice on access to the built environment including additional access auditing elements, anthropometrics and ergonomics.

Course fee \$2,000.00 (no GST) per person includes all course materials.

**CPP40811 Certificate IV in Access Consulting - 8 days**

**Sydney 22, 23, 24, 27, 28 March and 28, 29, 30 June 2017**  
**Melbourne 26, 27, 28 April, 1, 2 May and 19, 20, 21 July 2017**  
**Perth 17, 18, 19, 22, 23 May and 13, 14, 15 September 2017**  
**Brisbane 14, 15, 16, 19, 20 June and 9, 10, 11 August 2017**

The course includes twenty units of competency required for qualification as an Access Consultant. It will be of enormous benefit to people and organisations with responsibility to improve access to

**Certificate IV in Access Consulting (CPP40811) - 8 days (cont.)**

buildings, facilities, parks, streetscapes, playgrounds and open spaces. This includes government staff, building certifiers, architects, building designers, asset managers, occupational therapists, educational institutions, hospitals and other organisations.

Course fee \$5,500.00 (no GST) per person including all course materials.

**CPP40811 Certificate IV in Access Consulting - Course for Building Surveyors - 5 days**

**Sydney 22, 23, 24, 27, 28 March 2017**  
**Perth 17, 18, 19, 22, 23 May 2017**

**Melbourne 26, 27, 28 April, 1, 2 May 2017**  
**Brisbane 14, 15, 16, 19, 20 June 2017**

This course is ideal for people who have responsibility for reviewing, planning, designing, managing or maintaining buildings, as well as those who are required to provide advice to others regarding access issues in the built environment. The key elements of access to buildings, including relevant legislation and Access to Premises Standards are incorporated. The nationally recognised course provides participants with a practical framework and tools for undertaking an access audit of a building.

Course fee \$4,000.00 (no GST) per person includes all course materials.

**Understanding Access Legislation and Universal Design in Buildings - 1 day**

**Melbourne 9 February 2017**  
**Brisbane 9 March 2017**

**Sydney 16 February 2017**  
**Perth 24 May 2017**

This course provides participants with an understanding of the wide range of disability access and universal design considerations that must be addressed in planning, design, development, maintenance and upgrade of buildings. The course incorporates an overview of universal access and design principles, relevant legislation and Australian Standards, universal access issues - What's and Why's. Participants also receive Access Guidelines for Buildings.

Course fee \$650.00 (plus GST) per person includes all course materials and catering.

**CPPACC4005A Conduct a Building Access Audit - 2 days**

**Melbourne 9 & 10 February 2017**  
**Brisbane 9 & 10 March 2017**

**Sydney 16 & 17 February 2017**  
**Perth 24 & 25 May 2017**

This course is ideal for people who have responsibility for reviewing, planning, designing, managing or maintaining buildings, as well as those who are required to provide advice to others regarding access issues in the built environment. The key elements of access to buildings, including relevant legislation and Access to Premises Standards are incorporated. The nationally recognised course provides participants with a practical framework and tools for undertaking an access audit of a building.

Course fee \$1,300.00 (no GST) per person includes all course materials and catering.

**Understanding Access & Universal Design in Parks and Outdoor Spaces - 3 hours**

**Melbourne 13 February 2017: 9am - 12 noon**  
**Perth 16 May 2017: 1.00pm - 4.00pm**

**Sydney 20 March 2017: 1.00pm - 4.00pm**  
**Perth 21 September 2017: 1.00pm - 4.00pm**

This workshop provides an overview of the principles of universal design as they relate to streetscapes and parks. It also provides an overview of relevant Australian Standards as well as the key issues to consider in planning, designing, reviewing, managing or maintaining streetscapes and parks to support access for everyone.

Course fee \$250.00 (plus GST) per person including all course materials
